 Loraine Phillips, SIF • Aida Toledo, AP

About The School

Central High School is committed to educating all students to master essential academic skills and develop the personal characteristics of dependability and self-discipline. Its student body is diverse culturally and economically, providing an atmosphere that is conducive for the kind of learning students must have to be successful after graduation.

As a member of the Heritage Hill community and the second oldest high school in the state, Central is proud to be designated a registered Michigan historic site. It has a rich history of educating some of the finest students the state has to offer.

Central High School also houses the high school Montessori program and the School of Health Sciences & Technology (HST) – a small school within a school.

Mission Statement

Our mission is to ensure that all students are educated, self-directed and productive members of society.

Parent & Community Engagement

- * Staff will be accountable for creating an environment that ensures community partnerships.
- * Staff will be held accountable for the implementation of the community engagement model.
- * Our school will be an active participant in the District's DAC (District Advisory Council for Parents); parent representatives & our PAL (Parent Action Leader) will attend district level meetings with a focus on curriculum, grading, increasing parental involvement and other important district initiatives.
- * We will also participate in the District's yearly neighborhood/community walk to involve families and out community in school related issues.
