May, 2010

Dear High School Parents and Students,

Many of you have pre-selected a HUB elective offering for next school year, 2010-2011. We are excited to be able to offer these exceptional learning opportunities that allow students the opportunity to study in a focused, concentrated setting around an area of specific interest. This format will allow for the opportunity to consolidate our resources including supplies and materials, learning tools, talented staff and committed community members.

Later this week, students will have an opportunity to select their HUB specific courses. If you did not select a Hub, and you wish you had, you will have that opportunity during that same time period.

Enclosed you will find a brief description of each Hub and the courses that will be offered. This is intended to be used as a guide for course selections. As always, if you have questions, please don't hesitate to contact your school principal.

Sincerely,

Jane E. DeGroot  
Executive Director,  
Secondary Schools

Carolyn J. Evans  
Assistant Superintendent,  
Academics
